Mrs Lillian Randolph, Brockport N.Y. says

"My husband's grandmother went to Canada & her two sons  
John & James, after her husband, (whose first name we  
do not know) died or was killed. He was, I understand,  
a soldier in the Am. Revolution, living at time in Vermont.

"This woman went to her sister's in or near Verona"  
(so there must have been another Randolph sibling)  
The sister's husband was a Dr. Taylor of that place

"My husband's grandfather was William

"I do not know much about details of James Randolph.  
One of his children m. a Hughes & she had a son James  
Albert Hughes

"All of who's children came to States & died here  
(probably Brighton, N.Y. or Monckatting Ulster Co F.R.L.)

"They were the only R's I know about who came to Canada,  
for there was only one R. came to this country in the  
beginning & that was Randolph of Virginia - and  
these people of whom I write are desc. from him.

In Kingston registry cards at Synder office I  
found the same Randolph. Probably a son of

They had formed the design of falling upon Rapanoch, but, being informed that this place was defended by a canon, they came to Wawarsing before the inhabitants were up in the morning. At this place was a stone fort on the site of B. C. Hornbeck's house. Five men & a young woman discovered the enemy before they reached the fort, & the young woman succeeded in closing the door just in time to prevent it from being burst open by the savages. The latter, finding further attack dangerous, dispersed for burning & plundering the out settlements. Some 5 or 6 dwellings, 7 barns & a gristmill were burned & on the next day, laden with spoils. Several lives were lost on both sides, & much property was destroyed —

The French account states that a village 60 houses & a large no of barns were destroyed, 40 persons were killed, & 150 taken prisoners. These numbers were doubtless exaggerated. Fitz Randolph.

The first Fitz Randolph was Edward and the date of his arrival, though not definitely known, was very early in the history of the Massachusetts Bay Colony; certainly soon after the disembarkation of the "Mayflower" passengers at Plymouth Rock, in 1620.

He was born about 1615, and as a lad, accompanied his mother, a widow, to New England — about the year 1634: possibly as early as 1630.

James Randolph said to have removed to Western, Oneida Co.  
A son John, or William, married Olive Powell. He killed by  
falling tree about 1802. Where?

William Powell, believed to be at St John Oneida in 1778 or  
1779, when his wife & all children, but one, Olive, killed by  
Indians (See Stone's Life of Joseph Brant, page 301 for story  
which coincides with one told in my family. One day his  
wife, survived by hiding in snowbank in fence corner.  
Mother & other children killed). Father returned to his  
daughter, remarried, and finally settled in Western Town  
Oneida Co. He died there in 1827 (have copy of will and  
knowledge that he lies buried in cemetery beside the lake  
in Western. Widow, Olive, and children, removed to Canada  
with others of family about 1802-3-4. Olives Dan Cedah married  
Cyrus Bradley.)

Hiram "King" Walker }  
and } were first cousins to Granny Bemis (Ada)  
Hannah Walker Estes }

— = Lake sister of Ann R.

— = McRory?

One of Ebenezer Bemis' sisters (Jessie?) married a Doolittle.

Olive Powell born about 1767-8, aged about 12 when her family was destroyed by Indians (is about 1779)

married about 1795 - was then about 26 or 27

Her last child was born 1811, when she was aged 44  
she died 1862-3 aged 95.

Her children

James	Ada	Maria	William
b. 1799	b. 1801	b. 1811	b. ?

Her husband John? or William? was killed in Lewistown?  
or St. Simeon's place, Portland? by a falling tree.  
This would be before 1836 & after 1811.

Dr. Henry Taylor lived in the house directly across from the schoolhouse in Wilton

He was married in England & left two girls when he came to Canada. They came over to Canada to hunt him up. On arriving in Bath, they enquired for "Henry Taylor". not finding him, they returned to England.

Granny Bemis used to tell about when she was a girl in the Kattskill Mts. In the winter all the people turned in together & shovelling a road to the woods, cut their wood in a block.

Ada Randolph was born in 1800, three miles from Rome N.Y.  
She was the daughter of John Randolph, whose wife was Olive Powell. She had brothers William & James & Sam? & sister Mary.  
Ada was not the oldest in the family. James was born in 1799. Her  
sister Mary was not born until 1830. According to Wellika  
(Bullock) Smith & Fanny Myers, she was born in the Catskill  
Mountains, for she told of life there - eagles and winter cutting of  
wood. So she could not have come to Canada until she was at  
least six or seven. This would point to emigration about 1806 or  
later - certainly not later than 1812. Some time before 1812 she  
went to stay with Bill Johnston, who was her uncle. When Johnston  
escaped to U.S. his family, including Ada, followed. They lived at  
Sackett's Harbor during the war of 1812-14. at least Ada was there  
during the attack by Yeo in 1813.

Ada was again in Kingston about 1816, for she (according to Fanny  
Myers) married Cyrus Bullock at the age of sixteen. This would  
be 1816 or 1817. The family settled in Portland Township  
about 1826, and it is plausible that Cyrus & wife lived at  
Storms Corners from 1816 to 1826

John Randolph of Virginia was last Royal Attorney General, and  
was preceded in office by his father John and brother Peyton. John  
was born in 1718 and was considered the ablest lawyer in Virginia.  
In stormy debate in House of Burgesses re The Stamp Act, he stood  
alone against the Whigs. Ten years later he left the country (prior  
to 1775). He died in London, Jan. 31, 1784, aged 56. Buried in Virginia  
beneath the floor of the Chapel of William & Mary College. His only  
son, Edmund, was Governor of Virginia, Attorney General of U.S.,  
& successor of Jefferson as Secretary of State with Washington.

Ada (Randolph) Bulloch died on a Monday in August, 1883.

Fanny Myers took a ~~blueberry~~ pie to her on Sunday.  
Ada's father's name was William, and she had a brother William, &  
one named James. She lived near Odessa.

Fanny says Granny B. lived in Kinston when she was 16 (12?).

She saw a deserter carried up Princess St on a coffin, wearing a  
black cap - to be shot.

She was married when 16.

Oldest daughter (Olive?) died with scarlet fever when 12 years old,  
just as one baby girl was born & not yet named.

Lucinda died in a fit. Grandpa B. was sleeping under a lumber  
wagon, &, when called, jumped up suddenly, hitting his head  
on the rough pen & cut it.

John S. Randolph, proprietor of the Randolph Hotel, Kingston, Ont.,  
died Apr. 7, 1913

Will Randolph's widow & children lived on lot 11, Conc. 6, Portland Sp.

~~Ada Randolph, born 1800, picked bullets at Sackets Harbor after  
Yeo's attack in 1813. She died in 1883, aged 83 — born 1800 or 1801 in  
U.S.A. (Catskill Mts.) or Canada (?). Was at Sackets Harbor in  
1813. Lived in Kingston when 16 years of age? (Fanny Myers).~~

Jim Randolph lived between Sharpton & Odessa. This was while Dr.  
Taylor was at Wilton. Did Dr. Taylor meet his wife here? Did Cyrus  
B. also meet his wife here (Conc 4 Lot 40).

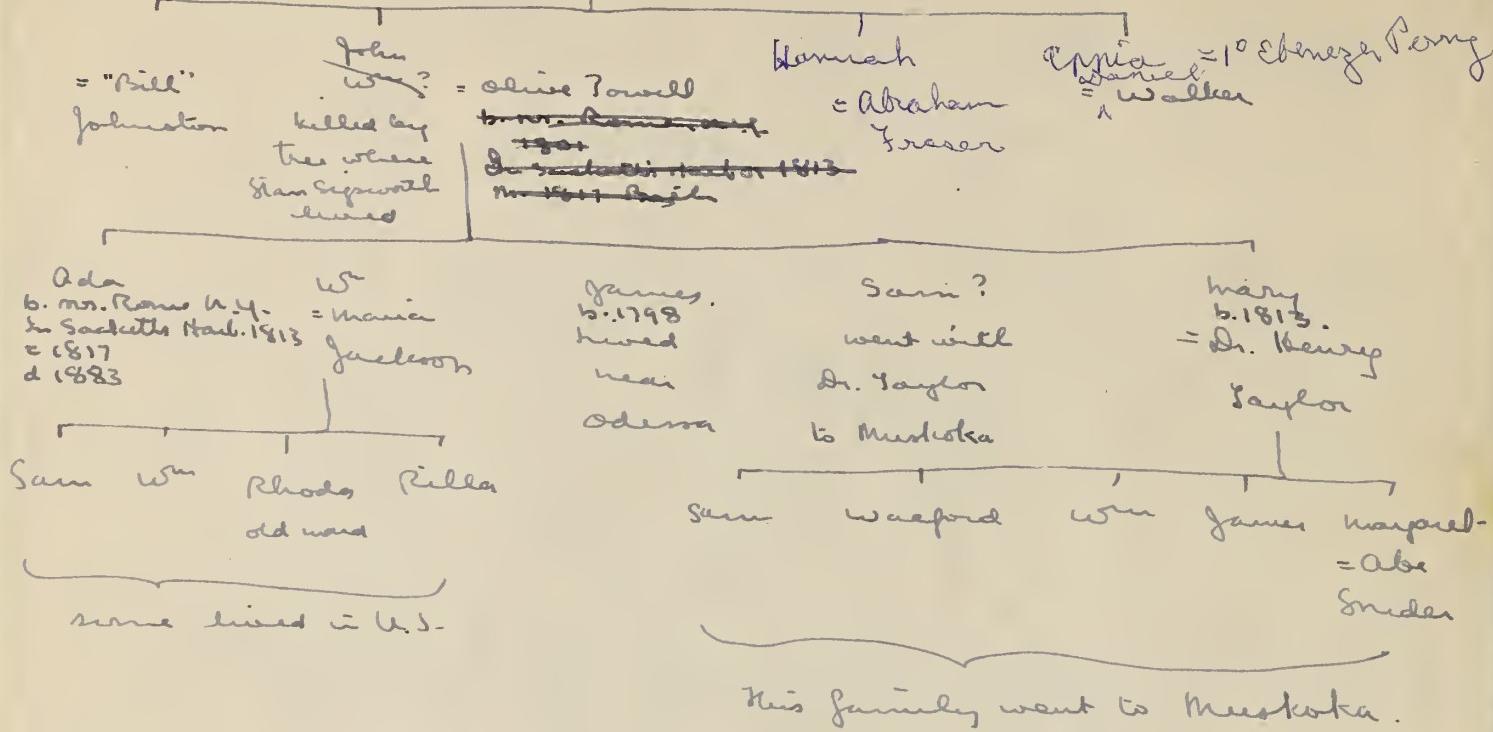

Wesley Burleigh's great grandmother Randolph (named Powell) was  
95 when she died. She was living with Will Randolph's widow  
(Maria Jackson), who ~~said~~ said that old people should be knocked  
in the head, on farm lot 11, conc 6, Portland. Wesley B. went to her  
funeral when he was about 5 years old (1862). They (Randolphs) lived on  
Jim Hart Place just across from Mary Wattamis & a little further on.  
She cut a new set of teeth before she died.

Fanny Myers says: Will Randolph died from blood poisoning caused  
by cutting his hand while skinning a horse whose spotted hide  
he wanted to use in making a robe. Granny (Ada (Randolph) Burleigh)  
was called in the night to make a poultice, but she waited till  
morning & it was too late. When Granny (Randolph) Burleigh came  
to Canada there were only three log houses in Kingston. One was in  
French village where Hay Market now is.

Estis? — Estage? — Cousine (?) of Granny Randolph.  
Aunt Welltha made a night cap for Granny (Randolph) Burleigh after she  
had died.

Granny (Randolph) Burleigh used to make feather beds by gathering  
feathers dropped by wild geese at Hay Bay. She used a flat-like  
scoop & threw feathers into a wagon box.

James Randolph

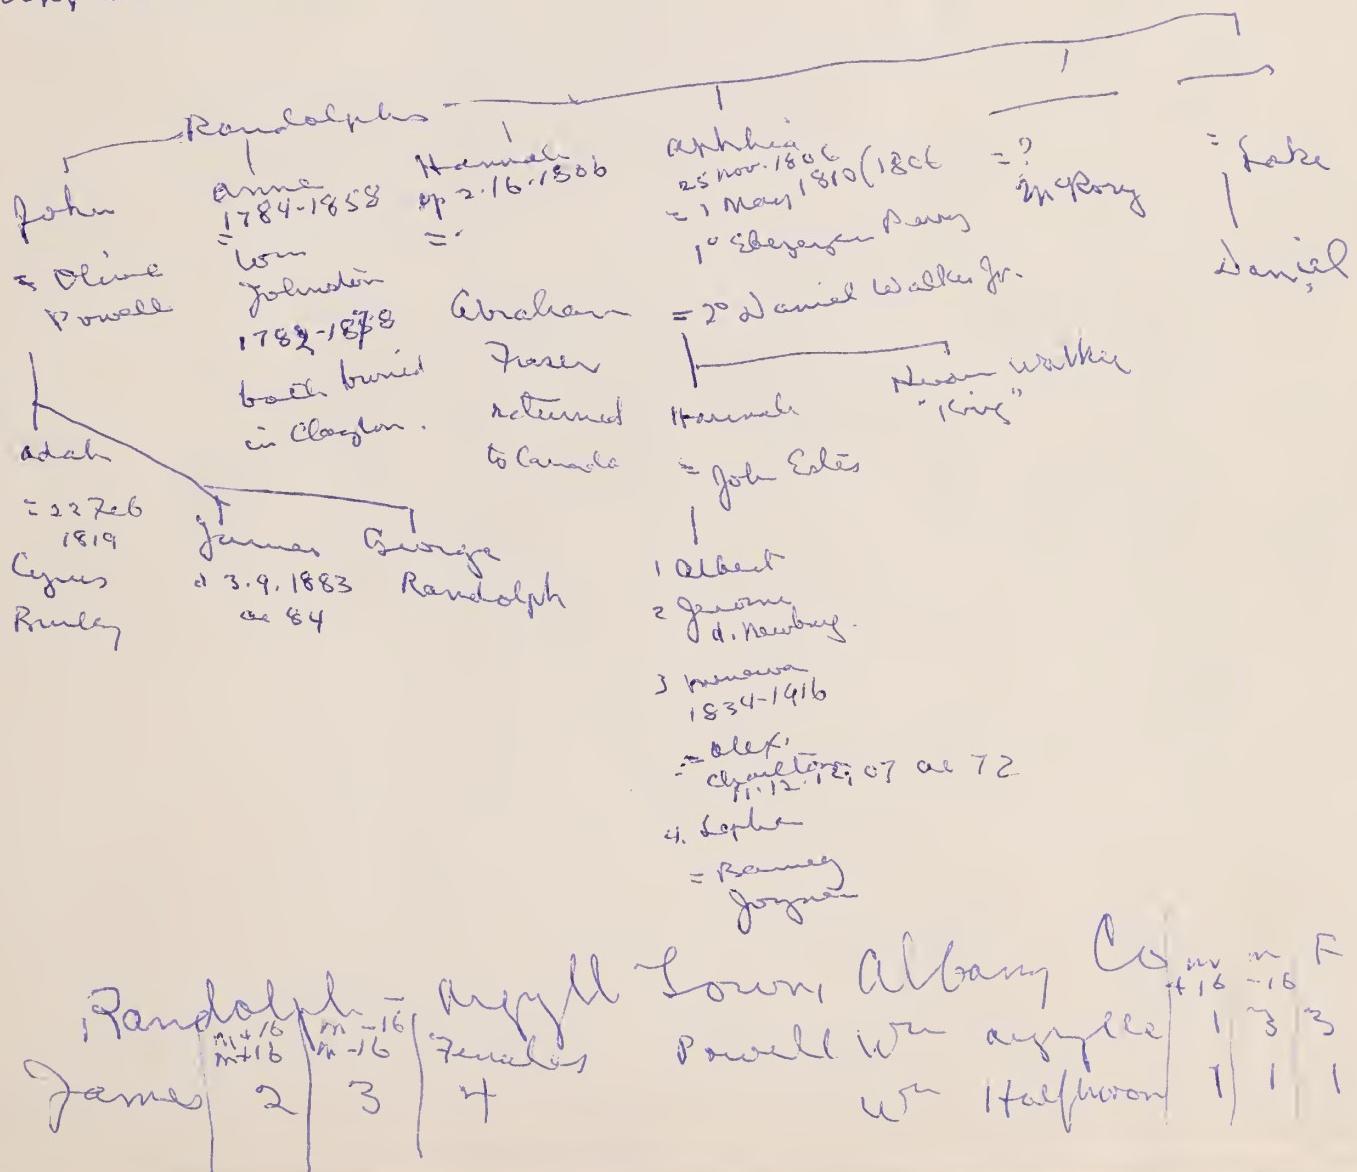

The massacre of the Randolphs must have been in the American Revolution

Massacre in Catskill Mts of Randolphs - 13 killed in one night, still Johnston apparently adopted Ada. She watched for him at pigeon-hole window in roof of his home at Sackets Harbor (?). had a Telescope + watched for his signal at the Upper Gap about 10 miles away. Johnstons had children younger than she. Must have been before 1813 that Johnston ran tavern in Kingston.

When the British attacked at Sackets Harbor they came with scows behind Island + dropped horses in shallow water and had men across before the Americans knew it. The women went into cellar. Ada (12 or 13 at the time) and Johnstons children gathered bullets in her apron. Settlement surrounded by clearing and the pine stumps were cleaved by bullets.

Dear Dr. Burleigh,

I hope that your holidays were happy ones. We had a wonderful Christmas but have not received the pictures we had made, so have not sent out our annual Christmas letter as yet, as we want to include the pictures.

I got a copy of a History of Daniel Walker, David Shorey, & Robert Perry, U.E. from Mrs. Gwen Smith R.R. #1 Bath, Ontario through corresponding with Cora Reid but I do not know who wrote the histories. I imagine you have a copy & may have written them.

Do you have any additional information on Daniel Walker than what is contained in that History? I am almost certain this is my Walker family because of Jemima Washburn and other family names that are the same. I have wondered where our Sarah Jemima Walker got her middle name, since it is rather unusual.

I will be most happy to pay you for any information that you can send me. I would like the family group sheets for: (if you have them)

Hannah Walker & John Estes & children

Hannah Walker & Ebenezer Perry & children

Daniel Walker & Apphia Randolph (her parents) & their children (as I think one of them is my Sarah Jemima & Elizabeth Walker's parents)

Daniel & Apphia's parents with their children and as far back as you have them.

I have searched so long for my Walker family that I'm very excited to think I may be near the solution so I do hope you can help me soon. Most of all, I am anxious to find a family group sheet of the children of Daniel Walker & Apphia Randolph so I can see if one of their children had a Sarah Jemima & Elizabeth Walker who married a Wellington Coleman Godfrey. In any of the records I found in Salt Lake City there was nothing on Daniel & Apphia, or nothing to link the families together.

I would be most grateful for any information you can send me. The source where the material came from is very important to me, if it can be included.

I am enclosing \$10 for now and if it is insufficient tell me how much and I'll send the balance by return mail. I will be happy to pay for the information.

I hope that you are well and enjoying life. Will be anxious to hear from you.

Most Sincerely

*June Shupe*

Dear Dr. Burleigh,

I received your letter with the exciting news today and I'm SO thrilled that I will probably have trouble sleeping tonight. I really think this will get me started on my Walker line and probably further the Eustuse line also.

How can I begin to thank you for answering so promptly. And thank you for sending the pedigree of Hannah and John Walker. Do you have a family group sheet on them?

If this turns out to be my relative (and I'm quite certain it will), then we are related and it looks like I would be related through one line to John Estes and through my other line to Hannah Walker. How exciting! I guess I'm hopelessly "Hooked" on this genealogy. My children are all 3 married, so it's nice to have an intriguing hobby to fill my days. I would like to know how you got interested in genealogy.

I would really like to see what I can turn up myself on this before hiring a researcher - it's so much more fun to find it ones self! And I can go to the LDS Genealogical Library in Salt Lake City (a 1 hour drive) to do research as often as I'd like. The microfilms that I search thoroughly from beginning to end, I have sent up here to our Ogden Branch Library, so there is plenty of places to search. I'll write Art Bell and see if he can find John and Hannah's Cemetery records for us.

My mother told me the Walker's were from New York state and that Elizabeth Walker's mother died after Elizabeth did. She would be of an age to be Hannah's sister.

1. Could you send me the address of any of John and Hannah's descendant's? One of them may have a Bible with names and dates in it.

2. Do you know the town or county in N.Y. where Apphia Randolph & Daniel Walker lived? (where Apphia was born?) If I have even the county it will help so I can search the New York records for Daniel and Apphia.

3. Do you have any family group sheets made out on Apphia and Daniel Walker? If so, could you send me a copy, please? Next time I write, I will send all I've found on John & Hannah Estes.

4. Would like a zerox copy of your pedigree chart sometime, if it's convenient.

5. Do you know if Daniel Walker came to Canada or where he died? Will enclose the only 2 Daniel Walker's I find in my Ontario census record notes.

I am writing to Flossie Godfrey in Arden and she sent me Ash Godfrey's name - he lives in Newburgh so may be able to help there. He is the oldest one born in Mountain Grove Flossie says. Do you know him?

I will close for now so I can get this in the mail and will be looking forward to hearing from you again soon.

With Best Regards

*Jane Shupe*

Sorry, but I've run out of Canadian stamps but will enclose an envelope addressed to save you that bother.

Dr. H. C. Burleigh  
Shipyards Apts. Apt. #507  
33 Ontario St.  
Kingston, Ontario K7L 2Y2

Dear Dr. Burleigh,

I am doing genealogy on the EUSTUSE-LAMBERT and GODFREY-WALKER families and several people in the Kingston Genealogical Society have sent me your name thinking that you might be able to help me.

My cousin Ellen Hokanson corresponded with you and she sent me a copy of the Hinckley History that you so graciously got for her. I was so grateful to get it-thank you so very much!

I will enclose my pedigree chart so you can get a clearer picture of my ancestors but briefly, this is the picture:

I have land records showing that my grandfather David EUSTUS owned land on Big Gull Lake 1879-89 near Harlowe (Barrie twp) and I correspond with Ralph Thompson who now owns the land. David, Emma and his mother Margaret Eustuse came to Centralia, Washington, USA in 1890.

I have found land records for his father Levi Eustuse (also spelled Eustace, Eustis, Eustus, Hustus, Ustus and Estes in various records!) in Newburgh Village in Camden Township where he sold 2 different lots - one in 1854 and one in 1858. One says the land was bought in 1804 - but he wasn't born until 1811. I am corresponding with descendants of his 2 children that remained in Canada but they know very little so it is a struggle putting all the pieces together. Arreta Eustuse Diamond did tell me that Levi was married before and they had a daughter named Catherin or Kit and she married a man by the name of Way, from Tweed. In a family Bible it lists Palie Way below Catherin, so we think he was her husband. I'm just starting to look into the Tweed area for information on him. The other daughter, Lydia Jane Eustuse I found married to Alpheus Miller in Napanee, Kennebec twp. Found his probate record and found him with his parents in the Camden twp. census. But we don't know the names of either Catherin or Lydia Jane's SECOND husbands.

Census records give Levi's birth place as Quebec. Do you know of any Eustus's (any spelling) who came from Quebec to Camden twp? Tradition says the family changed the spelling of the name and the spelling doesn't seem to mean much, as they couldn't read or write themselves.

All I know about the Lamberts is that Margaret Lambert Eustuse's death certificate says her father was Dan Lambert and we have no idea where they came from.

On the Godfrey's we knew they lived in Mountain Grove, Olden twp. so Peggy Cohoe (Kingston Gen. Soc.) drove up to Mt. Grove and took information off the tombstones for us. I was especially thrilled that she found the monument erected for Warren Godfrey who built the Godfrey (Frontenac) Road - as my mother had told me about it. I also found land records for him on Wolfe Island where his wife Emmeline Hinckley came from.

A cousin said genealogy has been done back to Scotland on this family but no one knows who has it! I surely hope it's not just a rumor! (Godfrey)

Cousins tell me that Warren's son Wellington COLEMAN GODFREY (my grandfather) lived on Carleton Island but I've been unable to find any vital record to prove it. My mother said his wife's name was Elizabeth Walker. Another cousin said David's

mother died when he was a baby and all the record's we find say Coleman's wife was Sarah Jemima Walker. Sarah is buried in the Mt. Grove cemetery near Warren Godfrey and her death record says she was born in Camden twp. but of course does not give her parents names. Incidentally, do you know if the original records do give the parents names and if it is possible to have someone go and search them for that information?

Anyway, we think that Coleman Godfrey was married first to Elizabeth Walker and when she died about 1864 that he married her sister Sarah Jemima and moved to Mt. Grove, as the next child was named Sarah Minerva Godfrey. At present I am searching out all the Walker's in Newburgh, Camden twp. to see if I can find a will naming Eliz. or Sarah.

I am enjoying this work so very much. I guess you must have done a great deal of it. The people in Canada have been so gracious and helpful. I really hope to make a trip there so I can meet the wonderful people I have corresponded with and my ancestor's descendants.

I would be so grateful if you could spare a little time to tell me if you've run across the EUSTUS-LAMBERT family in your searching and how I can find Warren Godfrey's parents. Are you related to the Godfrey's?

I will enclose a snapshot so you can see what I look like, and also a stamped, self-addressed envelope for your convenience.

I will be hoping to hear from you soon.

Please excuse mistakes! I have a new el. typewriter and it is different than my old one was!

Have you heard of a George Eustice that came to Quebec from England on a Brig? in 1845 He went into Wisconsin territory. I wondered if he could be a brother or uncle.

I have no idea whether or not they were Loyalists.

I would be happy to exchange information or to pay any expense. Thank you again.
